Program

The Golf Resort is situated in the Belek resort region of Antalya and is surrounded by the pine forest, Acisu River and the resort hotels. The result is a championship golf course with Bent grass, tees and Bermuda fairways that offer some of the finest playing conditions possible for the golfer. The picturesque views throughout the golf course highlight the natural beauty of the setting while providing challenging, yet fair play for golfers of all levels. When the game is over the elegant resort hotel awaits you at their relaxing poolside bars and fascinating restaurants.
