The horse ranch is situated at beautiful and peaceful Cetibeli Forest Park, which is about 30 minutes drive away from downtown Marmaris.

Horseback riding starts at the ranch and the soft-earthed path will lead you into the heart of the forest park.

This typical country-style horse ranch has a swimming pool for you to cool off or simply relax by the pool, after or before horse backing.

A 3-course Turkish style lunch is served outdoors in the beautiful country atmosphere, during summer and indoors during the cooler days.

You will regain positive energy by enjoying the day at the ranch, surrounded by nature and the beautiful scenery.

Do not forget your swimwear and riding hats are compulsory and are provided by the ranch.
